**67,000 BUILDABLE SF MIXED-USE DEVELOPMENT SITE ON A CORNER LOT
WITH 263 FEET OF COMBINED FRONTAGE ALONG SOUTHERN BOULEVARD**

458 Southern Boulevard, The Bronx - Presenting this approximately 67,000 BSF development site located in the Mott Haven section of The Bronx. The property consists of an approximately 16,746-square-foot corner parcel with 263 feet of combined frontage. The site is currently improved with a one-story, approximately 1,560-square-foot vacant commercial building constructed in the 1940s.

We estimated that split zoning places approximately half the site in R7X MIH/C1-4 and half in M1-2. Applying the full 6.0 residential FAR to the 50% R7X portion contributes 3.0 FAR, while applying the full 2.0 commercial/manufacturing FAR to the 50% M1-2 portion contributes 1.0 FAR. Together, these produce a blended 4.0 FAR and approximately 67,000 BSF. Permitted uses include residential and retail within R7X/C1-4, and retail, office, outpatient medical and light-industrial uses within M1-2.

The property offers convenient access to public transportation. The East 149th Street and East 143rd Street-St. Mary's Street subway stations are steps away and the Bx19 bus also provides service along Southern Boulevard.

The surrounding neighborhood offers a variety of shopping, dining, healthcare and recreational amenities. Nearby destinations include supermarkets and grocery stores along Southern Boulevard, Southern Pizza II, Boca Pharmacy on Willis Avenue, St. Mary's Park and NYC Health + Hospitals/Lincoln.
